

# For what conservation easement funding might my family's land qualify?

Is my land managed as at least one or more of the following?

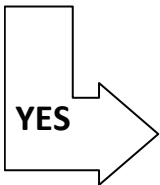

FARM  
RANCH  
FOREST (natural or planted)  
CONSERVATION

I may qualify to apply to the following competitive funding sources:

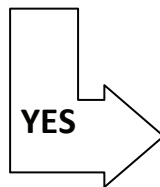

- 1) Florida Rural and Family Lands Protection Program (currently unfunded)
- 2) County Conservation Program (if operating in your county)
- 3) Carbon Banking
  - a. Aggregate: No minimum acreage
  - b. Blue source: Acreage greater than 1500 acres qualifies
- 4) Voluntary Land Use Regulations
  - a. Transfer of Development Rights
  - b. Rural Land Stewardship Program

Does my land have endangered animal and/or plant species?

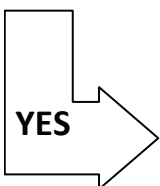

I may qualify for animal or plant species mitigation and/ or a gopher tortoise recipient site

Does my land have wetlands that need restoration?

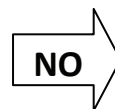

I may apply for NRCS Wetland Restoration Program or market driven Wetlands Mitigation

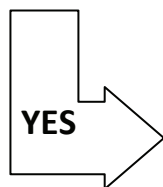

Does my land produce a food commodity?

Do I have 50% matching funds committed from a partnering agency?

Do I have 25% matching funds committed from a partnering agency and am I able to give 25% of a deduction in appraised price for a conservation easement?

I qualify to apply for the competitive grant, the NRCS Farm and Ranchland Protection Program
